

Privacy Policy

VK International attaches great importance to protecting your personal information. This Privacy Policy provides clear and transparent information about how we handle personal data.

We do everything possible to protect your privacy and therefore handle personal data with great care. VK International complies with valid legislation and regulations, including the General Data Protection Regulation (Algemene Verordening Gegevensbescherming). This means that we always:

- Process your personal data for the purpose for which it has been provided: these purposes and the associated type of personal data are described in this Privacy Policy;
- Limit our data processing activities to only those items of data which are required as a minimum for the purposes for which they are processed;
- Have implemented technical and organisational measures to ensure protection of your personal data;
- Do not disclose personal data to other parties, unless this is required in connection with fulfilling the purposes for which the personal data was provided. Obviously we make agreements with these parties in order to keep your personal data secure.
- Are aware of your rights concerning your personal data, wish to inform you of those rights and shall respect those rights.

As VK International, we are responsible for processing your personal data. If you have any questions on this subject after reading our Privacy Policy or in a more general sense, or if you wish to contact us, please do so using the contact details provided at the bottom of this document.

Processing personal data of customers or suppliers

VK International processes the personal data of customers or suppliers for the following purpose(s):

- administrative purposes
